Supplemental Type Certificate

Number: SE000EN

This certificate issued to: MORE Company, Inc.
5395 Mountain Creek Court
Reno, NV 89511

Certifies that the change in the type design for the following product with the limitations and conditions therefore as specified hereon meets the airworthiness requirements of 33 of Federal Aviation Regulations.

Original Product E4EA
Type Certificate Number:

Make: Pratt & Whitney Canada

Model: PT6A-21, PT6A-27, PT6A-28

Description of Type Design Change:

Instructions for Continued Airworthiness for the PT6A-21, PT6A-27 and PT6A-28 engine models that define specific maintenance tasks and their associated maintenance schedules, and that are used as a supplement to the applicable Pratt & Whitney Canada manuals. Use of these Instructions for Continued Airworthiness provides for the extension of hot section inspection (HSI), and time between overhaul (TBO) intervals, and supersedes the need for compliance with the HSI and TBO intervals (Continued on page 3)

Limitations and Conditions:

PT6A-21, PT6A-27 and PT6A-28 engines using this Supplemental Type Certificate will be maintained in accordance with Revision 6 of the Maintenance of Reliable Engines (MRE) Instructions for Continued Airworthiness, dated February 18, 2019. (Continued on page 3)

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked, or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of Application: October 24, 1992 Date Reissued: October 4, 2022

Date of Issuance: May 13, 1993 Date Amended: December 22, 2000

By Direction of the Administrator

Any alteration of this certificate is punishable by a fine of not exceeding \$1,000, or imprisonment not exceeding 3 years, or both. This certificate may be transferred or made available to third persons by licensing agreements in accordance with 14 CFR 21.47. Possession of this Supplemental Type Certificate (STC) document by persons other than the STC holder does not constitute rights to the design data nor to alter an aircraft, aircraft engine, or propeller. The STC's supporting documentation (drawings, instructions, specifications, flight manual supplements, etc.) is the property of the STC holder. An STC holder who allows a person to use the STC to alter an aircraft, aircraft engine, or propeller must provide that person with written permission acceptable to the FAA. (Ref. 14 CFR 21.120).

Supplemental Type Certificate

(Continuation Sheet)

Number: SE000EN

Description of Type Design Change (Continued):

defined in Pratt & Whitney Canada PT6A Service Bulletin Number 1803 latest revision.

Limitations and Conditions (Continued):

The rotor component service lives defined in Pratt & Whitney Canada PT6A Service Bulletin Number 1002, latest revision, are to be complied with, and are not superseded by the module repair intervals defined in the MORE Program. The installer must determine whether this design change is compatible with previously approved modifications. If the holder agrees to permit another person to use this certificate, the holder shall give the other person written evidence of that permission.

SAMPLE

Any alteration of this certificate and/or the Type Certificate Data Sheet is punishable by a fine not exceeding \$1,000, or imprisonment not exceeding 3 years, or both. This certificate may be transferred or made available to third persons by licensing agreements in accordance with Title 14 of the Code of Federal Regulations, part 21, section 21.47 (14 CFR 21.47). A transfer must be endorsed as provided on the reverse hereof. A Type Certificate holder who allows a person to use the Type Certificate to manufacture a new aircraft, aircraft engine, or propeller must provide that person with a written licensing agreement acceptable to the FAA. (Ref. 14 CFR 21.55).

Ms. Holly Lepire.
MORE Company, Inc.
5395 Mountain Creek Ct.
Reno, NV 89511

Dear Ms. Lepire:

Subject: [MORE Company Address Change]

The MORE Company email dated August 8, 2022 advised us that the MORE Company address has changed and requested reissuance of the eight MORE Company supplemental type certificates (STCs) with the new address.

Enclosed are the reissued certificates for the following STCs. This address change will also be made in the Federal Aviation Administration's database.

SE000EN
SE00001EN
SE00002EN
SE00003EN
SE00004EN
SE00006EN
SE000010EN
SE000011EN

Please return the STCs that are replaced by the enclosed certificates to the Engine Certification Office. Contact Kenneth Steeves by phone: 781-238-7765; fax: 781-238-7199, or email: kenneth.steeves@faa.gov, if additional assistance is needed with this subject.

Sincerely,

GLORIANNE
